

The Evolution of Parental Fears

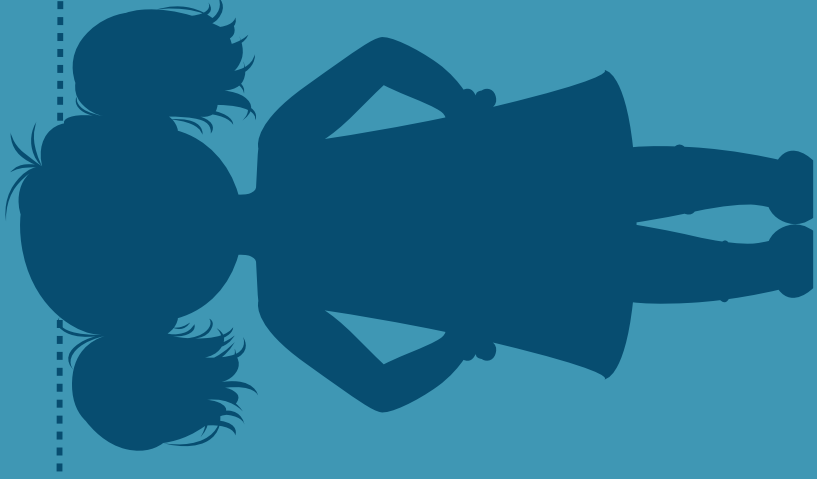

INFANT:

- The “What’s this? Let’s eat it!” mentality.
- That forbidden soft spot on her head.
- Her first word being “Kardashian.”

CHILD:

- The day she learns the true origin of babies.
- Math problems you don’t understand.
- Sports where balls fly at her face.

TEEN:

- Her behind a wheel.
- Any boy that looks at her.
- Her.
